Re: Request For Information for Certificate of Compliance for an Elevator, Escalator, or Related Equipment for CHILDRENS HOSPITAL SPECIALTY C

The Department received the Elevator Equipment Report of Inspection referenced above on DECEMBER 11 2023. However, the report is incomplete.

The following information is required to continue processing the report:

- * Your report of inspection indicates that violation(s) were found during the inspection. You must either attach a violation status letter indicating that all violations are corrected or are under contract to be corrected or attach a Delay/Waiver Form with appropriate fees for each violation listed. You may have attached a violation status letter or a Delay/Waiver Form for one or more of the violations, but you did not attach documentation for all. You can view and print a Delay/Waiver Form on the Department's website at <http://www.tdlr.texas.gov>.

You must return a copy of this letter with any requested information. You can submit required attachments via TDLR webform at <https://www.tdlr.texas.gov/help>. You may also contact Customer Service for assistance at 512-463-6599 or 800-803-9202.

Thank you,

Licensing Division
