9-Apr	1	BAR	BETTER	Drop The Requirements For Schools To Alphabetize The Albums.
9-Apr		BAR	BETTER	Every Two Years Is Not Enough.
9-Apr		BAR	BETTER	Get More Inspectors To Have More Inspections.
9-Apr	1	BAR	BETTER	Have Barber Board Meetings At Least Three Times A Year.
9-Apr		BAR	BETTER	If A Student Is In Default Of Their Loan With The Federal Entity That The Federal Entity Will Revoke The License And They Will Inform You - Apply The Same Approach That We Do With Child Support And Tgslc To Federal Loans.
9-Apr		BAR	BETTER	Inspections - To Inspect The Barber Shops Or Salons At Least Once Every Two Years Is Too Long. Inspect Four To Five Times Per Year Inspect Barbershops. Inspect Barber Schools Once Every Month.
9-Apr		BAR	BETTER	Look To Tgslc And Federal Accreditation - Financial Aid Issues And Refunds.
9-Apr		BAR	BETTER	Modify The Inspection Process To Be Less Predictable And Limit The Number Of Inspections In An Area At A Given Time And Double Back.
9-Apr		BAR	BETTER	Need More Consistency In Inspections With The Different Inspectors - Whether Evaluating Sanitation Issues, Physical Safety Issues
9-Apr		BAR	BETTER	Professionalism And Exchange Of Inspectors.
9-Apr		BAR	BETTER	Respect Comes With The Frequency Of The Inspections.
9-Apr		BAR	BETTER	Rotate The Inspectors Between The Programs Whether It Is School Or Salons.
9-Apr		BAR	BETTER	School Fees Too High - TDLR May Need To Put Caps On School Tuition.
9-Apr		BAR	BETTER	Specialty Inspectors.
9-Apr		BAR	BETTER	Phone Service Or Phone Inf.
5-Apr		BAR	BETTER	Practical Run The practical Like The Board
3-Apr		BAR	BETTER	Maybe Easier To Read E-Mails, Rules. When Communicating With The General Public/License Holders Make The Language Less Formal.
3-Apr		BAR	BETTER	Realize That There Are Barbers Who, Simply, Want To Cut Hair, And Do Not Want Anything To Do With The Chemical Procedures, And, Shall Not Offer Any Chemical Procedures As Services Rendered.
2-Apr		BAR	BETTER	Just Provide More Channels For Licensees To Communicate With TDLR Concerning Their Needs
2-Apr		BAR	BETTER	Inspect Shops More Often
1-Apr		BAR	BETTER	Be More Professional With Customer Service
#####		BAR	BETTER	Hire More Field Inspectors

		Inspect More Often, Hire More Inspectors Maybe. I Have Been In Shops And Several Could Have Been Cleaner, It's As If They Know Your Not Coming Around So They Tend To Let Things Go.
#####	BAR BETTER	
#####	BAR BETTER	Offer Group Health Care Insurance At A Decent Rate!
#####	BAR BETTER	Decrease One Or Two Requirements To Become A Barber Instructor
#####	BAR BETTER	The More Information The Better... Knowledge Is Power...
#####	BAR BETTER	It Takes Too Long To Get Help, When You Call By Phone.
		I Believe That We Need To Find An Easier Way To Get Teachers For Barber Schools. Things Did Not Get Better When It Comes To That And Only Got Harder With More Requirements To Be A Teacher.
#####	BAR BETTER	
#####	BAR BETTER	Let License Expiration Date Term Longer
#####	BAR BETTER	Check More Closely On Persons Cutting Hair At Home
#####	BAR BETTER	Answer Phone Calls A Little Sooner
#####	BAR BETTER	Come To Us. Travel To Austin Gets Expensive And We Only Have 2 Mins. To Talk.
#####	BAR BETTER	We Need School In Texas That Are Closer To Small Towns In Tx.
#####	BAR BETTER	Stop Coming Up With More Ways To Get Money From Us. Like Booth Rental Fees.
#####	BAR BETTER	Shorter Wait Times On Phone Calls And Better Music.
		If You Have Not Served In The Field. Knowing The Stylist And Where They Are At The Time Of Their Life. Some May Just Be Out Of School Some A Few Years Some War Veteran's. It Takes A Very Unique Person To Be In Leadership. My Barber Instructor .Said If You Can't Stand The Heat Get Out Of The Kitchen. Meant So Much To Me.
#####	BAR BETTER	
		Take Action In Assuring That Barber Lic Cannot Be Altered Work In McAllen Tx There Are Barbers Working Under Someone Else's Lic That Needs To Change
#####	BAR BETTER	
		Regulate The Sales Of Professional Products Every Profession Is Protected But Ours If I Have Cancer I Can't Go To The Super Market And Get A Cure Why Is It That An Everyday Person Can Go Purchase What I'm Licensed To Use Freely What's The Point In Paying U To Renew Licenses
#####	BAR BETTER	
		If Our License Expires And We Are Not Working, Give Us More Time To Get It Renewed Before We Have To Remake The Test.
#####	BAR BETTER	
#####	BAR BETTER	Have No Complaints
#####	BAR BETTER	Inspect The Schools Betters
		Quit Pushing Cosmetology Above Barbering. Barbering Has Been Around A Lot Longer Than Cosmetology. When I Looked It Up To Write To A Board Member From Barbering, It Wasn't Even Listed But Cosmetology Was. That Has Been Corrected. Thank You.

#####	BAR	BETTER	Improve Inspections For Barber Shops For Sanitation I Would Like To See A Barber Collage In Amarillo. What Can We Do To Get One? Does	
#####	BAR	BETTER	Anyone Want To Put One In?

#####	BAR	BETTER	*Not Look The Other Way When Inspecting "Dirty" Shops.	
#####	BAR	BETTER	Have Meetings On A Regional Basis.	
#####	BAR	BETTER	I Would Like To See More Barber Inspectors Licensed To Inspect All Shops.	
#####	BAR	BETTER	Have Real Barbers Do Inspections...Not Ex Cosmo Etc When A Barber Student Take His/her Test And Pass It - They Would Be Allowed A Temporary Work Permit. 90 Days Is Enough Time To Complete The Temporary Period. That Way The New Barber Can Begin Working To Take Care Of Needs. If You Guys Consider This, It Would Stop Illegal Activities, Such As Starting To Work Without A License. We They Pass All Their Test They Such Be Allowed To Start Making Money The Same Day. Please Consider That This Is Our Lively-Hood. Furthermore, It Can Be A Reward For Doing The Right Thing. After All We Don't Want To Penalized Good People We Only Want To Catch	
#####	BAR	BETTER	The Bad Guys	
#####	BAR	BETTER	Right Now I Do Not Have Any Suggestions. I Have Had No Problems And No Complaints.	
#####	BAR	BETTER	Communicate. Work More With The Licensee, Who's Been In The Business.	
#####	BAR	BETTER	Hire More Inspectors Add A Statutory Provision That Would Not Allow Students To Transfer Hours If They Owe A School - Like In The Cosmetology Statute.	
9-Apr	1	BAR	CHANGE	Allow A Person To Be A Hair Braider At Age Sixteen Just Like They Can Be A Barber At Age
9-Apr	1	BAR	CHANGE	Sixteen.
9-Apr	1	BAR	CHANGE	Change The Inspection Cycle Of Shops From Once Every Two Years To Four Times A Year.
9-Apr		BAR	CHANGE	Create An In-Home Specialty License. Currently A Licensed Barber Is Not Allowed To Go Into A Persons Home And Give Them Any Type Of Service (Fix Or Cut Their Hair), I Am Focusing On Either Informed Or People In Hospice That Are Elderly And Immobile And Have Difficulty Getting To A Shop Or Mobil Unit.
9-Apr		BAR	CHANGE	Allow Barbers To Provide In Home Services.
9-Apr		BAR	CHANGE	Do Not Put A Cap On What A School Can Charge. Find A Way To Reach Out To Barbers A Little Better - Start A TDLR Team Where They Go
9-Apr	1	BAR	CHANGE	Out To The Different Barber Shops, Schools, Shows, Etc.

9-Apr		BAR	CHANGE	Hair Braiding And Weaving They Do Not Have A Workbook And Answer Sheet (Milady).
9-Apr	1	BAR	CHANGE	Have A Financial Course And Have Restrictions On How The Information Is Communicated And Also Include Education On The Criminal History Evaluation Letter.
9-Apr		BAR	CHANGE	Have A Massive Education Process Not Only To Let The Students Know But To Work With The Municipalities Of What Can Be Done In Community Colleges.
9-Apr	2	BAR	CHANGE	Have Dual Schools.
9-Apr		BAR	CHANGE	Helping The Barbers Understand That Their Life Can Change Based On The Decisions Made At The Barber Board Meetings - Give Them Life Examples.
9-Apr		BAR	CHANGE	How It Is Communicated Is Critical - Curriculum, Material That Is Developed, Etc.
9-Apr		BAR	CHANGE	If The Board Meets Quarterly Have One Of The Board Meetings In A Different City So The Folks That Cannot Travel Can Come And Sit And Watch.
9-Apr		BAR	CHANGE	It's More Than Just Having The Laws; We Need To Understand The Intent.
9-Apr	1	BAR	CHANGE	Make Sure That We Keep A Distinction Between Cosmetology And Barbering.
9-Apr	1	BAR	CHANGE	Maybe Change The Caption Of Our Listserv Messages, Facebook Posts, Etc.
9-Apr	1	BAR	CHANGE	More Outreach Efforts (Road shows) To Have A Face To Face Connection With Those In The Industry.
9-Apr		BAR	CHANGE	Nobody Should Regulate How Much A Barber School Charges.
9-Apr	1	BAR	CHANGE	Offer A Class During The Shows Where Someone Comes In To Speak On The Different Changes And Updates.
9-Apr		BAR	CHANGE	Once A Rule Is Passed We Need To Make Sure That They Get The Information And Educate Them On.
9-Apr		BAR	CHANGE	Provide Funding To Send The Barber Chair To The National Association Of Barber Boards.
9-Apr		BAR	CHANGE	Providing Barber Services To These People Makes Them Feel Better.
9-Apr		BAR	CHANGE	Seek Appropriation For Travel For The Advisory Board.
9-Apr	1	BAR	CHANGE	Smart, Deliberate And Be Communicative In The Changes So Schools, Testing, And Industry Can Keep Up With The Changes.
9-Apr		BAR	CHANGE	We Need To Figure Out A Way That If We Have A Problem That Kids Are Dropping Out At 1,000 Hours And Defaulting On Loans, How We Can Change This. There Needs To Do An Educational Element For This.
9-Apr		BAR	CHANGE	There Are Some Rule That Need To Be Change, Some Of Them Are Too Old.
8-Apr		BAR	CHANGE	Make Every License Renewal Good For Five Years Without Increasing The Fee.
5-Apr		BAR	CHANGE	More Tips For Students

3-Apr	BAR	CHANGE	Have Barbers Inspecting Barbershops And Cosmetologists Inspecting Salons. Secondly There Are A lot Of Cosmetologist That Use A Straight Razor Without The New License.
3-Apr	BAR	CHANGE	Separate Barbering From Cosmetology: Again, There Are Those Of Us Barbers Who Want Nothing To Do With The Chemical Procedures Dealt With In Cosmetology.
2-Apr	BAR	CHANGE	That We Have To Wait For License In Hand Before We Can Start Working A Shop.
1-Apr	BAR	CHANGE	I Would Be Bring Back The Tb Testing
#####	BAR	CHANGE	Continuing Education Courses For Barbers
			Not To Make People Do Continuing Education It Isn't Necessary In This Line Of Work And Its Costly, And Frankly It's All About The Money People Just Put On A Show And Try To Sale Products You Really Don't Learn Anything Differently, That's A Fact, It Should Be Each
#####	BAR	CHANGE	Individuals Choice To Go, After All Its Their Business..
#####	BAR	CHANGE	Booth Rental License Fees
#####	BAR	CHANGE	Requirements To Become A Barber Instructor
			Reinstate The Law That You Must Be A Licensed Texas Barber In Order To Open/Apply For A Barbershop Permit.
#####	BAR	CHANGE	To Become An Instructor. I Feel Someone Who Has Been A Barber For 25 Yrs. Should Not Have To Go Back With Models. Maybe Take A Written Test And Then Be Able To Instruct. I Have Been Wanting To Go Back To Teach. I Have Toured 4 Barber Colleges In Houston And Everyone I Toured Is An African American School. I Have Nothing Against Different Races
#####	BAR	CHANGE	But The Area I Live In Are Anglo And Hispanic. Increase
#####	BAR	CHANGE	To Allow A Barber At 5Yrs To Become An Instructor Or Floor Instructor So That We Can Fully Supply The Need And Get People To Staff These Schools.
#####	BAR	CHANGE	Apprenticeship In Texas So There Is An Option To Learning And Improvement To The Field
#####	BAR	CHANGE	Can Not Think Of One At This Time.
#####	BAR	CHANGE	Drop The Dual Permit.
#####	BAR	CHANGE	I Would Eliminate The Booth Rental Permit. I Believe That The Barber Is Not Benefitted By This, And It Makes The Governing Body Look Greedy.
#####	BAR	CHANGE	Nothing
			Salon/Barber Shop Could Not Be Owned By Any Individual Not Holding A Current License
#####	BAR	CHANGE	Having Practiced The Business Themselves For A Time
#####	BAR	CHANGE	Allow School License To Be Paid Online

I Believe If You Have Been In The Field For At Least 25 Years Or More You Should Be Able To Serve On The Board In Some Position. Because You Have A lot Of Insight At That Point In Your Career. With Out Further Schooling. You Have Been Through School And Worked The Position And Perhaps Owned A Salon Or Shop You Have Managed The Financial Part Dealt With People. I Believe You Could Tell In An Interview. This Would Give A Person A Opportunity To Further Their Education With Out So Much Cost.

It Would Most Definitely Be The Idea That Anyone Can Own A Barber Shop. I Liked The Idea That You Had To Be A Barber To Own One. I Have Heard From Several Friends (Both Male And Female) In The Business Complain About Their "New" Bosses Who Bought An Existing Shop And They Haven't A Clue About The Business. They Try To Run It Like Any Other Business And In Some Cases Expect The Professionals To Do Cleaning Duty Like Mop The Floors, Do The Laundry For The Towels Etc. This Is Absurd. Barbering Is A Profession And Long Standing Tradition Of Professionalism (Yes Some Of Us Are A Little Quirky, That Comes With The Creative Side). Barbers Were Once Considered Part Of The Medical Profession.

#####

BAR CHANGE

I Would Like To Do Away With The Barber Chair Permit; I Think The Master Barber License Is Enough. I Also Can't Get The Barber Board Meetings On My Computer Because I Don't Have Your Program.

#####	BAR	NEXT	The Dollar Losing Value, Increase In Licensees, And Less People Working.
			1) Increase In Population 2) Health Insurance As A Group...If Being Self Employed Means
			Paying For Expensive Health Insurance- A Person May Not Make It As A
#####	BAR	NEXT	Barber/Cosmetologist- Forced To Get A Real Job With Real Benefits.
#####	BAR	NEXT	Higher Population, More Barber Businesses Make Money
#####	BAR	NEXT	Increase In Population
#####	BAR	NEXT	Keep Barbers And Cosmo Apart

#####	BAR	NEXT	The Amount Of Barber Schools Has Impact Our Industry. Many People Are Going To Barber school To Purchase Hair Services At A Super Reduced Rate. This Has Become A Big Problem Because Of The \$5:00 Haircut, 15:00 Perm And Style That They Offer. The Schools Are Pack With Customers
#####	BAR	NEXT	The Economy (Decrease In Income To The Average Person), Demographics (Changes In Ethic Base), Stability In World Economy (Gas Prices As Well As Fears Of Continued Unrest)
