11-Apr		PUBLIC	BETTER	The TDLR Commissioner Meeting On March 27Th To Review The Large-Scale Commercial Dog And Cat Breeder Regulations Was Not Fairly Conducted. The Recommendations Of The Committee For Regulations Of Minimal Standards Of Care Were Animals In These Facilities Were Complete Disregarded. Nobody Seemed To Care That Breeding Dogs And Cats Will Be Forced To Live On Wire-Floored Cages, Live In Cages That Are Too Small For Their Size, And Owners Can Do Their Own Surgeries. This Is Barbaric And The Commissioners Did Not Seem To Care.
11-Apr		PUBLIC	BETTER	You Should Have Listed To The Advisory Committee You Put In Place To Assist You - What Was The Point Of The Bill If You Are Not Going To Follow The Recommendations??? I Cannot Believe You Are Employed When You Did Not Follow Thew Advice You Paid To Have Given To You.
11-Apr		PUBLIC	BETTER	Listen To Individuals, Animal Groups And Not Just Commercial Breeders. Prove You Are Humane. Please Don't Allow 100% Wire Flooring Or Stacking, Mandate Larger Cages, Mandate Specific Humane Temperature Controls. Anything Less Is Completely Inhumane With No Justification. Doing Right (Ethical & Humane) By The Puppies Is The Price Of Doing Business And Being The Smarter Species, That Would Be Us.
11-Apr		PUBLIC	BETTER	The Puppy Mill Bill Is Essentially Ineffective. It Is Sad That Animals Have To Live In Such Conditions, That The People Spoke About How They Want All Animals To Have Better Care, And That TDLR Made The Regulations So Weak, Essentially No Improvements Have Been Made For Animals Bred In Larger Facilities.
11-Apr		PUBLIC	BETTER	Tougher Regulations For Puppy Mills!!
11-Apr		PUBLIC	BETTER	Listen To Your Own Advisory Committee, Otherwise Why Have One?
10-Apr		PUBLIC	BETTER	Improve The Standards That Were Passed For The Large Scale Commercial Breeder Bill. Make It Impermissible To Use Wire Bottomed Crates Or To Stack Crates. Do Not Allow Breeders To Dock Tails Or De-Bark Dogs. That Is Cruel And Inhumane.
10-Apr		PUBLIC	BETTER	I Believe The Legislators And The Citizens Of Texas Want Dog/Cat Breeders To Provide Solid Cage Floors, Increased Cage Size And For The Animals' Cages Not To Be Stacked Over 2 High.
10-Apr		PUBLIC	BETTER	Listen And Respond To The Majority Of The Public Comments You've Received On The Rules Listen And Act On Your Advisory Committee's Recommendations

10-Apr		PUBLIC	BETTER	I Personally Do Not Believe Your Agency Sought Equal Representation For Debating The Regulatory Laws For The Large Scale Commerical Breeder Bill. It Seems Like The Committee Members Weighted Heavily On The Breeder Side - Not Of The Mentality To Help The Dogs And Cats In Breeding Facilities.
10-Apr		PUBLIC	BETTER	Need To Have More Humane Conditions In Place For The Puppy Mills (I.E., They're Still Going To Be Standing On Wire Cages ("Coated Wiring"), They're Still Going To Be "Stacked" Where The Feces And Urine Can Run Down From Cage To Cage (I Know There's Suppose To Be Flooring In Between The Cages But This Will Not Stop All Of The Elimination From These Dogs From Contaminating The Dogs Below. I've Seen These Conditions And I've Rescued A Dog From A Puppy Mill - Why Did We All Work So Hard To Put A Bill In Place If We're Not Going To Put More Humane Conditions In Place For These Precious Animals Who Will Spend Their Entire Lives In Cages?
10-Apr		PUBLIC	BETTER	See Above
10-Apr		PUBLIC	BETTER	Regarding The New Licensed Breeder Program, What You Can Do Better Is: 1. Listen To At Least Some Of The Recommendations Of Your Advisory Committee, Or Don't Have An Advisory Committee At All. The TDLR Itself Appointed The Members Of The Advisory Committee. The Committee Members Put In Hours And Hours, Days Really, Of Their Time To Listen To Testimony And Come Up With Rule Recommendations, And Every Single Recommendation Was Completely Ignored By The TDLR With Absolutely No Explanation. Why? 2. Take Into Consideration At Least Some Of The Points Put Forth By The Public And The Regulated Community On The Proposed Breeder Rules, Or Don't Pretend To Solicit Comments At All. Most People I Know That Submitted Comments (Including Me) Spent Hours Putting Together Comments In A Thoughtful And Careful Manner, Yet The TDLR Considered None Of Them When It Approved The Final Rule. No Explanation Whatsoever Was Offered. Why???
27-Mar		PUBLIC	BETTER	I Would Like A Source Number To Email A Question And Have It Answered In One Week, Or Less.
8-Apr		PUBLIC	BETTER	Not Allow Programs To Take Time And Money From Students Who Are Seeking A License That TDLR Provides Because They Are Felons. I Understand The Concern Of The Board In Their Attempt To Minimize Crimes In The Industries They Lisence But, To Allow A Student To Recieve A Student Permit Then Deny That Person The Ultimate Goal Of Obtaining A License In A CERTAIN Field Will Only Cause More Negative Recourse Than Possitive Ones. That Student Becomes Frustrated From Working Hard For The Past Year In School Full Time Without Work And May Have Taken Out A Loan That May Exceed \$15,000.00. Now That Student Has Not Worked For A Year And Has Incured Debt Which Can Not Be Paid Back, How Does The Board Expect That Person To Become A An Efective Citizen In Society.

On A World Stage, The License Is An Embarrassment To Show. But Even With Laminate, The Card Is Subject To Bleeding And Fading, Which Makes It Even More Embarrassing. As Either A DI Type Card Or A Credential Type Card, But Something That Looks More Professional Or Official Would Go A Long Way. But Most Importantly, A Picture That Isn't A Polaroid Cut Out Or Off An Inkjet Would Be That Much More Of An Improvement.

Please Review Your Actions, Or Total Lack Of Action On Behalf Of Animals. The Clip Of The Meeting Suggests That You Allowed The Puppymillers To Run The Show For You, And That Is A Very Sad State Of Affairs.

11-Apr		PUBLIC	CHANGE	The Large-Scale Commercial Dog And Cat Breeders Bill. Animals Need To Reside In Solid-Floored Enclosures, Their Cages Need To Be Larger, And Owners Need To Be Banned From Performing Their Own Surgeries. The Minimum Standards For Animal Care In These Facilities Is Are Still Horrific.
11-Apr		PUBLIC	CHANGE	See Above
11-Apr		PUBLIC	CHANGE	Usda Standards Are Very Minimal - And To Only Require These Standards Allows Many Puppy Mills To Continue Operations. In The Rgv Rescue Groups And Community Shelters Are Overwhelmed Due To Puppy Mills Lax Regulations. If At State Level Those Operations Are Allowed To Flourish Unregulated And With Minimal Humane Practices...It Will Continue The Vicious Cycle With No Real End, Thus Perpetuating Overpopulation Within Financially Strapped Communities And Rescue Groups Who Everyday Try To Reverse The Negative Impact Of Irresponsible Commercial Breeders. Establish Effective Penalties That Will Ensure The Statute/Rules Are Abided By Providing Humane Housing, Care And Medical Attention.
11-Apr		PUBLIC	CHANGE	I Would Ask That You Improve Regulations For Dogs In Breeding Facilities. They Are Pets, Not Livestock. They Should Be Treated Similarly To How Most People Treat Animals In Their Homes.

11-Apr		PUBLIC	CHANGE	Puppy Mill Bill! The General Public Voiced Their Opinion In Favor For Ther Puppy Mill Bill, The House Voted For Hr 1541, The Senate Passed The Bill And The Governor Signed It. The Public Is Now Aware Of Animal Suffering And Will Not Tolerate It Any Longer.

10-Apr		PUBLIC	CHANGE	I Would Definitely Change The Licensed Breeder Rules To Actually Protect The Animals They Are Supposed To Protect. Increased Protection Was The Whole Purpose Of Getting Hb 1451 Passed In The First Place - Maybe TDLR Did Not Get That Email? Instead Of Collecting My Paycheck And Rubber-Stamping Rules Put Together By Another Agency (Usda) - Rules Which Are Well-Documented To Be Terribly Inhumane For Animals To Begin With - I Would Actually Use My Brain, And My Heart, To Put Forth Some Modicum Of Effort And Do What's Right For The Animals And Not Waste Texas Taxpayers' Hard-Earned Money To Pretend That I Would Listed To Them And My Own Appointed Committee, When In Fact I Had No Intention Of Doing Either. Finally, After I Rejected All Comments From The Public And My Own Appointed Committee, I Would At Least Have The Decency To Offer Up An Explanation As To Why I Rejected Everything.

Also, There Are Not Many Places For Felons To Prove That They Understand They Have Made A Mistake And Would Like To Ammend Their Conduct By Becoming Productive Citizens. Ms Gonzalez Also Informed Me That The \$300.00 I Had Paid On June 14Th, 2007 To Take The Oral Examination With Psi Had Also Already "Expired". I Reminded Ms Gonzalez That I Had Requested That Refund Ones Before Through Herself Via Email On February 22, 2011 And Still Had Not Received Anything In Reference To It Dispite My Numerous Emails And Phone Call To Her. I Organize And Lead, ***** Good At It Too, But It Takes Too Long To Get To A Private Realistic Leadership Organization Due To The Laws Of Service Requirement, With No Regard To Ability. Even Though, I Have Experience , 2 College Degrees , And Networking Support. The Reasons Are I Am Required To Work(For A TDLR Company) For Below Poverty Level Wages Several Years Before I Can Even Imagine Starting My Own Business In This Industry.

More Commercial Breeders Will Install 100% Wire Floors Since Humans Perceive That They Are The Easiest To Clean (When And If They Are "Cleaned"....Probably Right Before The Inspection.). Animal Suffering - Splayed Feet, Cuts, Ligament Tears, Etc. - Will Increase. 2. More Commercial Breeders Will Try To Cram In More Breeding Dogs Into Their Operations, To Maximize Profits, Now That Each Enclosure Only Has To Be 6 Inches Longer Than The Dog's Body. More Animals In More Stacked Small Wire Cages - Kept Under Conditions That If Most People Saw Their Neighbors Doing It, Would Call Police - Will Result In More Suffering. There's Nothing In The Rules That Says That The Public Can View Where/How The Animals Are Kept, And I'M Sure Most Parts Of Most Commercial Breeders' Operations Will Not Be Open To The Public. Inspections Every 18 Months Aren't Really Very Frequent A Lot Can Happen In 18 Months. 3. Third Biggest Change I Perceive In Texas That Will Affect Me And Probably You Will Be More Poor Texas Citizens. As The Poverty Levels Grow In The Us; Texas With It's Pseudo Free Market System (Pseudo Because The State Uses TDLR To Regulate The Free Market And Has One Of The Nation's Largest Regulation Responsibilities For A Government Entity) Will Become Overwhelmed By People Seeking Employment.
