The parties shall negotiate in accordance with the timetable set forth in §55.56 to attempt to resolve all claims and counterclaims filed under this subchapter. No party is obligated to settle with the other party as a result of the negotiation. The parties may agree to mediate a claim in accordance with Subchapter E.

55.56. Timetable. (New section effective July 1, 2009, 34 TexReg 4323)

(a) Following receipt of a contractor's notice of claim, the Department or designated representative shall review the contractor's claim and the Department's counterclaim, if any, and initiate negotiations with the contractor to attempt to resolve the claim and counterclaim.

(b) Subject to subsection (c), the parties shall begin negotiations within a reasonable period of time, not to exceed 120 days after the date the Department receives the contractor's notice of claim.

(c) The parties may conduct negotiations according to an agreed schedule as long as they begin negotiations no later than the deadline set forth in subsection (b).

(d) Subject to subsection (e), the parties shall complete the negotiations that are required by this subchapter as a prerequisite to a contractor's request for contested case hearing no later than 270 days after the Department receives the contractor's notice of claim.

(e) The parties may agree in writing to extend the time for negotiations on or before the 270th day after the Department receives the contractor's notice of claim. The agreement shall be signed by representatives of the parties with authority to bind each respective party.

(f) The contractor may request a contested case hearing before the State Office of Administrative Hearings (SOAH) pursuant to §55.61 after the 270th day after the Department receives the contractor's notice of claim, or the expiration of any extension agreed to under subsection (e).

(g) The parties may agree to mediate the dispute at any time before the 120th day after the Department receives the contractor's notice of claim and before the expiration of any extension agreed to by the parties pursuant to subsection (e). The mediation shall be governed by Subchapter E.

(h) Nothing in this section is intended to prevent the parties from commencing negotiations earlier than the deadline established in subsection (b), or from continuing or resuming negotiations after the contractor requests a contested case hearing before SOAH.

55.57. Conduct of Negotiation. (New section effective July 1, 2009, 34 TexReg 4323)

(a) A negotiation under this division may be conducted by any method, technique, or procedure authorized under the contract or agreed upon by the parties. (b) To facilitate meaningful evaluation and negotiation of the claims and any counterclaims, the parties may exchange relevant documents that support their respective claims, defenses, counterclaims or positions.

(c) The Department may also negotiate, mediate, or settle with a contractor concerning any assertion by a contractor which does not constitute either a notice of claim or a claim under this subchapter or Texas Government Code, Chapter 2260. Such actions by the Department do not constitute a waiver of sovereign immunity or of statutory or regulatory requirements for a notice of claim.

55.58. Settlement Approval Procedures. (New section effective July 1, 2009, 34 TexReg 4323)

The parties' settlement approval procedures shall be disclosed prior to, or at the beginning of negotiations. 55.60. Cost of Negotiation. (New section effective July 1, 2009, 34 TexReg 4323)

(b) A request for a contested case hearing must state the legal and factual basis for the claim and must be delivered to the Department within 90 days after the 270th day or the expiration of any written extension agreed to pursuant to §55.56(e).

(c) The Department shall forward the contractor's request for contested case hearing to the SOAH within a reasonable period of time, not to exceed thirty (30) days, after receipt of the request. Referral of a request for hearing to SOAH does not constitute waiver by the Department of statutory or regulatory requirements for the notice of claim, the claim, or the request for hearing.

(d) The parties may agree to submit the case to the SOAH before the 270th day after the notice of claim is received by the Department if they have achieved a partial resolution of the claim or if an impasse has been reached in the negotiations and proceeding to a contested case hearing would serve the interests of justice.

(e) Contested case hearings shall be conducted in compliance with Texas Government Code, Chapter 2260, this subchapter, and the rules and procedures of the SOAH applicable to hearings on contract claims.

(f) Provisions of Chapter 60 of this title, regarding requests for and conduct of contested case hearings, do not apply to hearings conducted under this subchapter.
