**Re: Notices of Inspection Due (NOID)**

If an owner/owner's agent has contacted you as a result of receiving a NOIO; and responded to the Department by returning the NOID to TDLR, **do not** send in a Project File Request Form for that file. This is necessary to eliminate duplicate requests. If you have been unsuccessful in obtaining a project file, please contact the Administrative Staff Manager at (512) 463-211, or email **[architectural.barriers@license.state.tx.us](mailto:architectural.barriers@license.state.tx.us)**.
