Regulatory Program Management Division Staff Report
Texas Department of Licensing and Regulation
Dietitians Advisory Board Meeting
May 3, 2018

Update and discussion regarding Dietitians program activities

- Regulatory Program Management Division staff have been assisting Customer Service with email responses to applicants and licensees using Dynamics 365, the new customer service software
- Regulatory Program Management and General Counsel staff are supporting the Standard of Care workgroup. The workgroup is developing recommendations on rule changes related to ordering laboratory tests for self-referring clients. The workgroup has not met since the last advisory board meeting.

Public Outreach - Texas Academy of Nutrition and Dietetics

- Staff attended the Texas Academy of Nutrition and Dietetics Annual Conference & Exhibition in Houston Texas on April 12, 2018.

Medical & Health Professions Section Update

- The Medical & Health Professions Section remains focused on maintaining the successful operation of the Phase I programs.
- Section staff are continuing their work on the SB 202, Phase II program transition, which occurred on 11/1/2017. In Phase II, six additional programs from DSHS transferred to TDLR (massage therapy, sanitarians, code enforcement officers, offender education providers, mold assessors/remediators, and laser hair removal facilities/personnel).
