Statement of Assurance

H.B. 1372: Information Relating to Child Passenger Safety Seat Systems

On March 15, 2018 the Texas Commission of Licensing and Regulation adopted rules for HB 1372, Information Relating to Child Passenger Safety Seat Systems. This bill requires information relating to the proper use of child passenger safety seat systems be included in the curriculum of each driver education and driving safety course.

Each driver education school, parent taught course provider, and driving safety course provider is required submit by mail or email this completed Statement of Assurance form by **June 15, 2018**.

Helpful Information:

- A Child Passenger Safety Seat system is an infant or child passenger restraint system that meets the federal standards for crash-tested restraint systems set by the National Highway Traffic Safety Administration.
