School / Branch #: (C _____) Name of School: _____

The TDLR-Approved driver education course curriculum content for classroom instruction must include the educational objectives as established by the Texas Department of Licensing & Regulation in the Program of Organized Instruction for Driver Education and Traffic Safety (POI). Refer to the POI document for the instructional objectives, knowledge and skills, and student expectations for each Module. Schools may provide a five-minute break period per classroom instructional hour. No more than ten minutes of break time may be accumulated for each two hours of instruction. Revert break time to instruction time if not utilized. Self-study assignments occurring during regularly scheduled class periods shall not exceed 25% of the course and shall be presented to the entire class simultaneously. As school owner, I hereby certify that our driver education course curriculum content instructional materials meet the POI as indicated below.
