Polygraph Advisory Board Meeting

Regulatory Program Management Division Report

July 17, 2019

<u>Public Outreach</u>

- Russel Taulli attended the American Polygraph Association Conference held in Austin, Texas August 26 through the 31st, 2018. Regulatory Program Management (RPM) hosted an informational table at the conference where TDLR and program information was provided. Russel answered questions from conference attendees. The conference afforded an excellent educational and networking opportunity for RPM staff.

- Russel Taulli, as the RPM Division's program specialist for the polygraph program, frequently answers phone calls and emails regarding the program. Inquiries are usually about the rules or the statute, registration requirements and exemptions.

- RPM is open to opportunities for public outreach (conventions, conferences, association meetings, etc.) related to the polygraph program. Program specialists are available to speak at these events and provide information. We invite the advisory board and industry members to please let us know when an opportunity arises. Please send an email to Russ.Taulli@tdlr.texas.gov.
